

**ETIQUETTES  
POUR  
MANIPULATION**

Toutes les cartes sont à  
découper

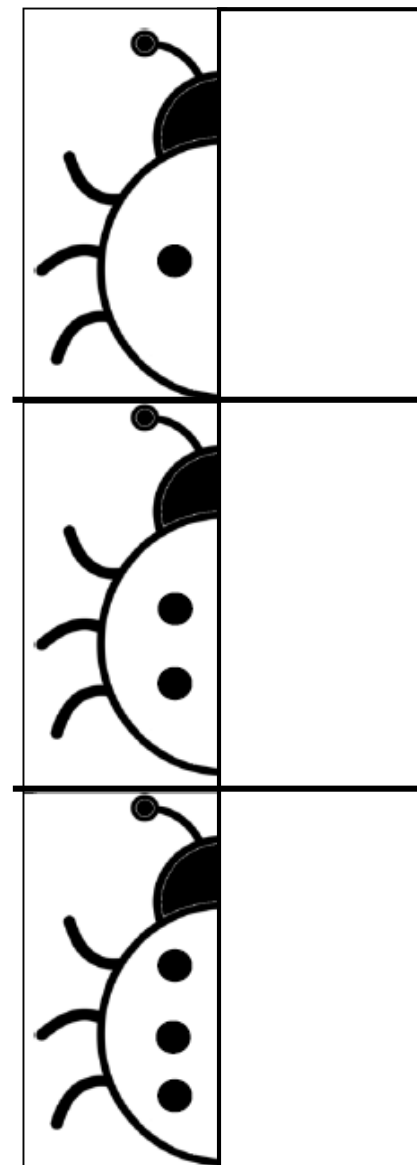

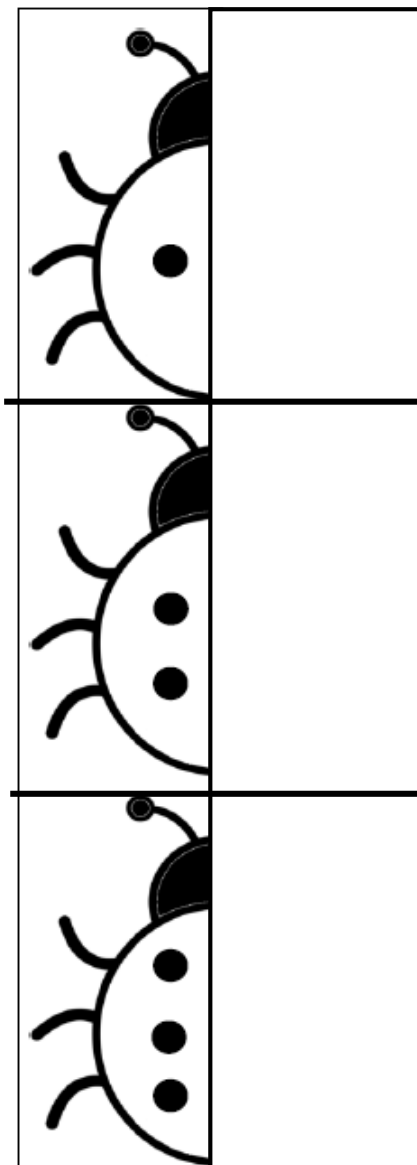

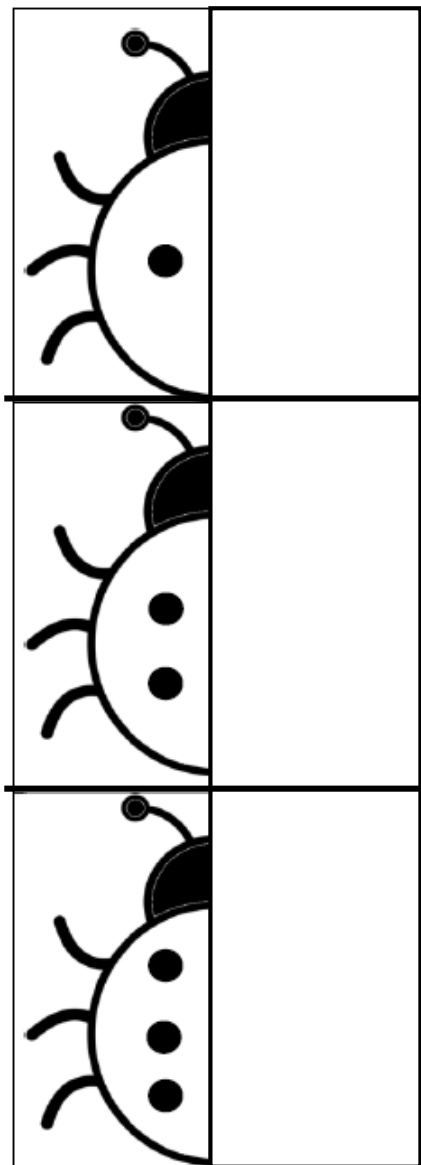

La partie de gauche reste  
le modèle de base  
à laquelle il faudra ajouter les  
parties de droite

--

**MS / Découverte du monde :** Reconnaître les différentes représentations du nombre. Les associer

→ *Je colle les ailes de droite désignant le même nombre*

Etiquettes à découper pour fiche de travail
